

Sri H. SIDDHAVEERAPPA.—I do not know about another SMP. I am speaking about the SMP at Medleri in which the Hon'ble Member was interested and he said that he was desirous that it should be transferred. I am getting it examined. On account of overwhelming representation from some of the villagers wherein they have said that they have faith in the Ayurvedic medicine, and they want the SMP to continue there. I am discussing that matter with the Hon. Member again and take a final decision.
